

Reject Common Core State Standards (CCSS) in Favor of Higher HB COOP Academic Standards Petition Warrant Article 2014 Hollis/Brookline Coop School District Meeting

This petition warrant article proposes that the Hollis Brookline COOP School District reject the Common Core State Standards, and in its place adopt its own higher standards, the Hollis Brookline COOP Academic Standards. The Hollis Brookline COOP Academic Standards will be developed by a committee chartered by the school board. The committee shall include representatives from the school board, budget committee, school administrators, teachers, students, and community members. The Hollis Brookline COOP Academic standards will provide educational excellence for our children with local input and control, instead of giving control of our children's education to bureaucrats in the New Hampshire Department of Education in Concord and the U.S. Department of Education in Washington, D.C.

Thank you for your support!

**Shall we reject the Common Core State Standards (CCSS) and the implementation of CCSS, in favor of our own higher Hollis Brookline COOP Academic Standards, and recommend that the school board form a committee (consisting of representatives from the school board, budget committee, school administrators, teachers, students, and community members) to develop the Hollis Brookline COOP Academic Standards?
